## Specialist Consultations

- Extensive network of English-speaking specialists both in the public and private sector.
- Please contact me and explain the situation. We will discuss the necessity for a preliminary visit for diagnosis, an ER diagnostic need or direct referral to an appropriate specialist.

## Athletic/Gym Certifications

- Amateur athletic activity (gyms, sporting and physio thermal facilities) require a medical certification of good health signed by an Italian doctor. Contact me.
- Professional or semi-professional training and activities require a medical visit with EKG by a sports physician. Lists available in pharmacies or in the sporting facilities

**EMERGENCIES** – CALL **118** (equivalent of 911) for **free ambulance transport** to closest ER (Ospedale S. Orsola usually for medical emergencies – Ospedale Maggiore for trauma care)

- ♦ STD Diagnosis and Treatment – Dermatology Clinic of Sant'Orsola, Via Massarenti, 1  
Call for information at 051-2143319, Mon-Fri, 12:30-1:30
- ♦ ADHD Treatment – Contact me. Highly regulated in Italy and must go through the unified Neuropsychology service (Ospedale Maggiore or Ospedale Bellaria)
